Hunting in Mexico

Year 5

2018

In Year 5, we have been explorers! We have been looking at the geography

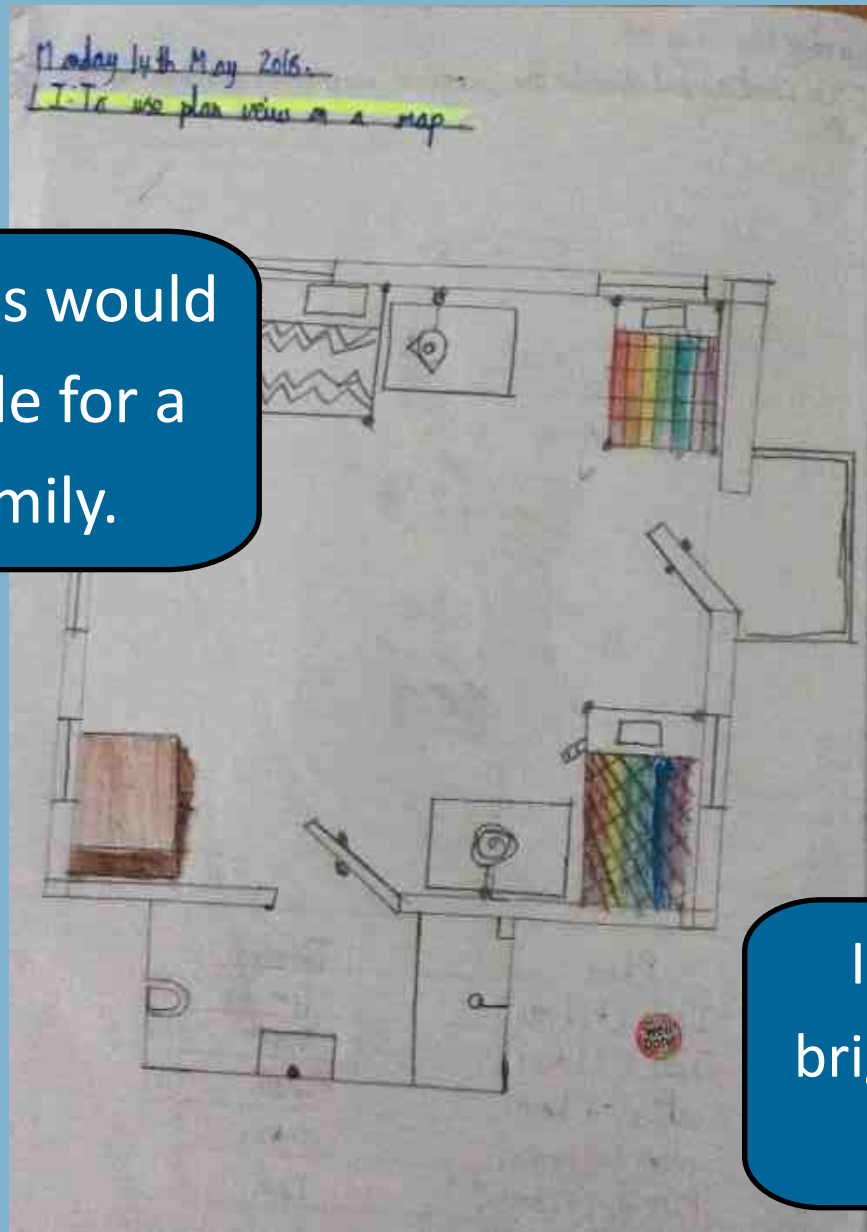

of Mexico, we've compared it to the UK and we have learnt lots about maps!

We researched Aztec and Mayan jewellery and had a go at recreating our own versions! We used a variety of materials: sequins, beads and even pasta!

I loved the treasure hunt around school, as my team used the map and clues to find the treasure first! The chocolate treasure was delicious!

I think this would be suitable for a tourist family.

I included bright decorations.

I enjoyed learning about plan view on a map. This learning enabled me to design my own hotel room!

Moreover, Mexico, which is 8x bigger than the UK, is 3x bigger than Spain. Mexico's population (123 million) is very large although the UK's (United Kingdom) population is just over 65 million. It is part of the North American continent. In addition, it is relevant to speak Spanish because Mexico is the world's most largest Spanish-speaking country. Moreover, Mexico has lots of volcanoes and mountains, which is in the world's most prominent earthquake and volcanic region, that are in the North and East. Additionally, their average temperature is 18° (=degrees), which is the measurement for the UK, because it is situated in the 'Ring of fire'. At the top of Mexico, are deserts - which is dry and arid - so bring sunscreen and reapply the sunscreen because it is very hot. While you are at the deserts, try and spot the plants. Moreover, the Mexican flag has many things on it: red, green and white with an eagle to show bravery. They had the flag ever since they got their independence over the Spanish.

Mexican food:

Additionally, restaurants don't advertise many foods: rice, fruit and veg. They make something called 'Por de Mexico' that, that is on the day of the Dead. Mexico's food is very posh so don't disrespect or criticise their foods.

Landmarks & attractions:

Mexico, which is the world's top travel destination, will welcome anyone. Also, Mexico has many precious buildings: Chichen Itza, a place (a pyramid) that is ancient, the Acapulco beaches and Oaxaca, a archaeological site with an awe-inspiring market.

In English, we researched facts for, and created, our very own non-chronological report about Mexico.

We used many fronted adverbials and conjunctions to link our sentences and paragraphs together and to create cohesion. We were also able to use some of the Year 5 spelling words that we have been learning.

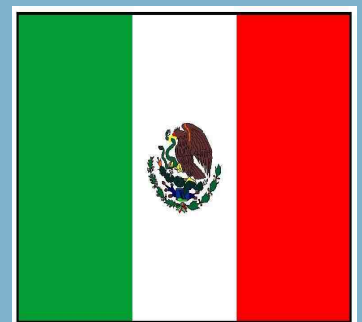

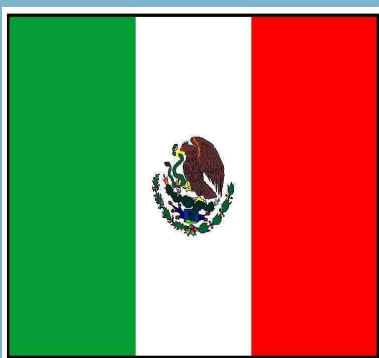

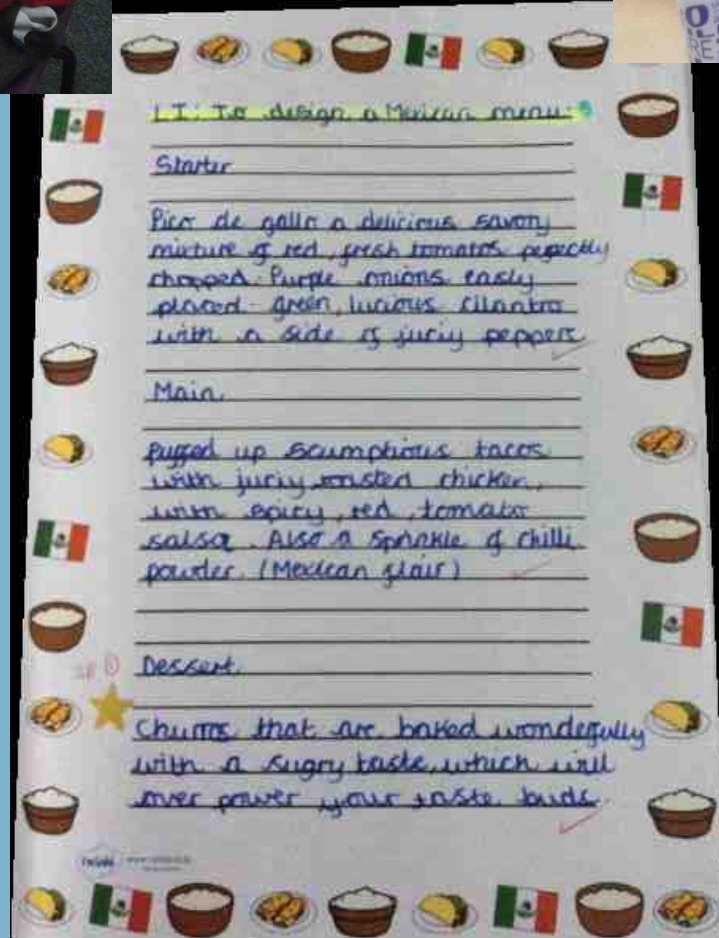

We researched traditional and modern Mexican food and created our own menus. We were also able to taste a small sample!

Wow! That tortilla chip is spicy!

We created some fantastic art work!

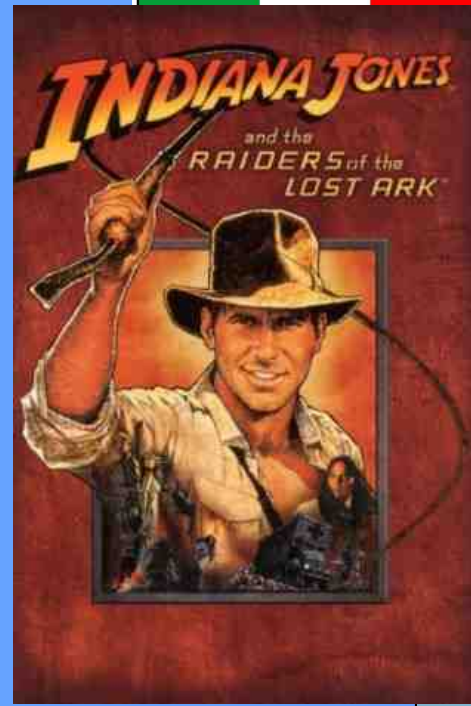

We have really enjoyed art this half term. We have learnt about the portrait artists Diego Rivera and Frida Kahlo. We created some of our own realistic self portraits and some using cubism. Can you tell which is which?

I to create a portrait

Our class read this term has been Indiana Jones and the Raiders of the Lost Ark. We innovated the text and invented our own exciting adventure stories. During this topic, we were able to develop our use of vocabulary by using a thesaurus. Our setting and character descriptions were fantastic and full of detail!
