

Art Exhibition ...

WOW! The African art work produced by the children this term was truly incredible. The teachers gave very little guidance with each project. The children learnt so much from making the art and talking about the culture of others. AMAZING!

Let's celebrate!

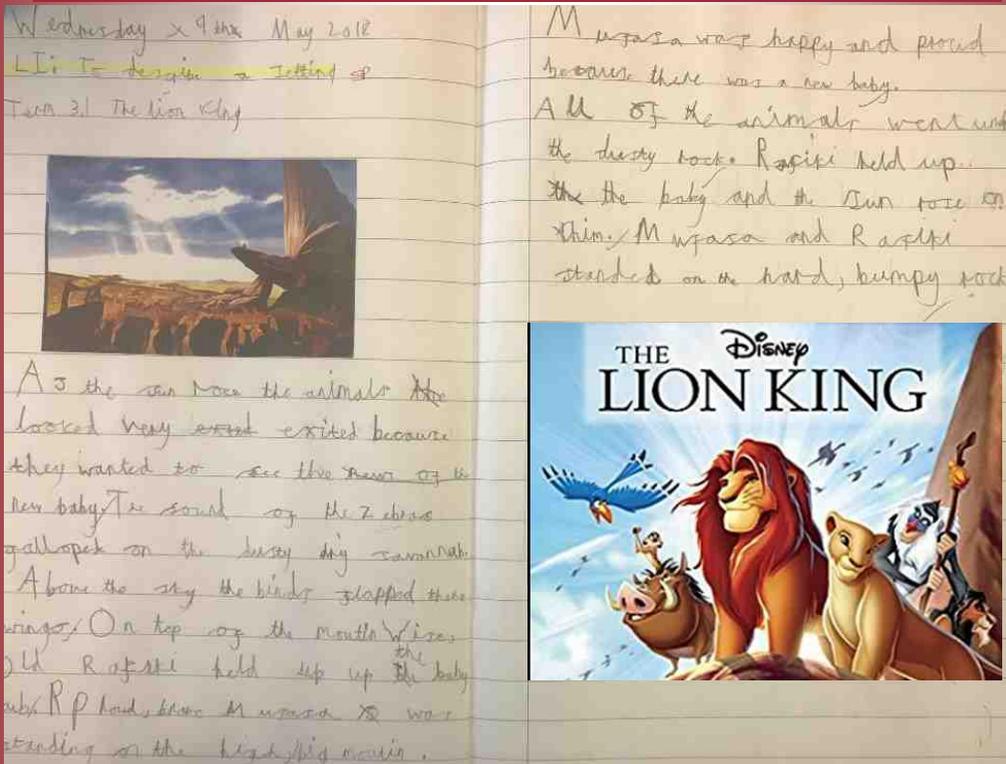

Learning in year 1 during the Summer Term...

Africa

The Lion King

We have been learning all about the film The Lion King. We started by describing the different characters. We went on to use what we had learnt to describe the story setting. We learnt that adjectives are used to describe a noun and that different adjectives are needed to describe a setting and a character. Here is some of our amazing writing from this topic. Look how much our handwriting has improved!

Young engineers...

This term in year 1, we were lucky enough to visit the Young Engineers Academy twice! During our first visit, we made traditional African instruments.

During our next visit, we made African animals out of junk.

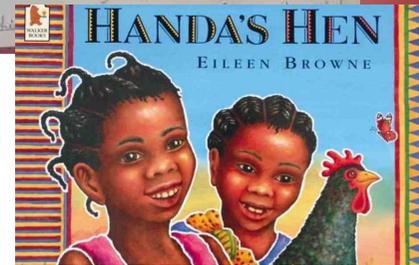

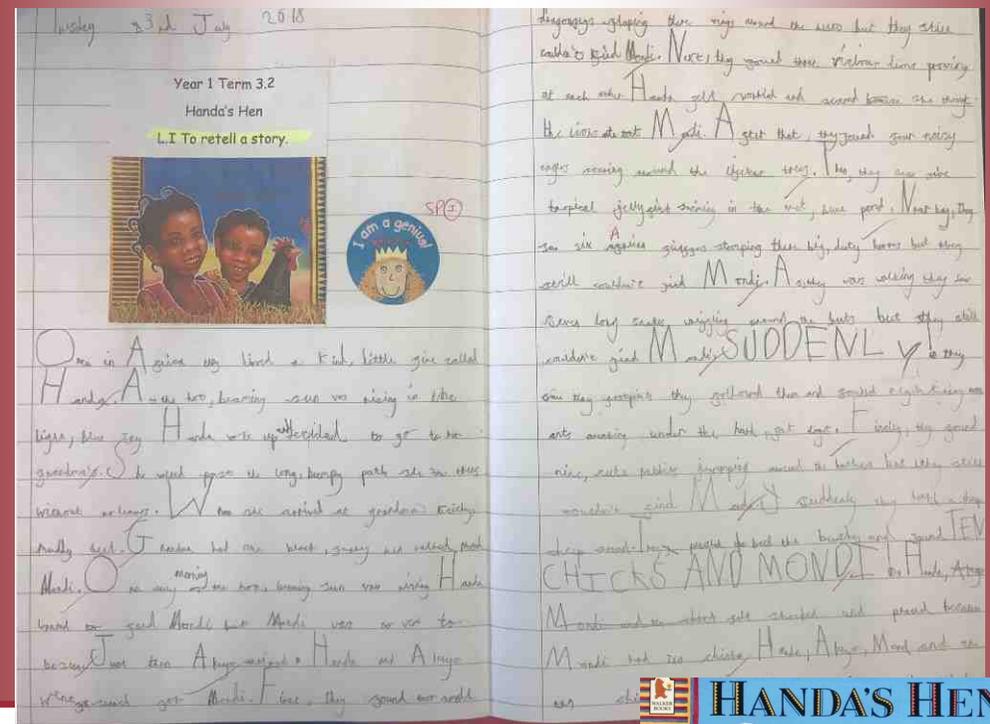

Africa

We have been very busy during our last term of year 1. We have learnt all about life in Africa. We learnt about the mud huts that some people live in. We even had a go at making them out of clay.

We tasted different foods from Africa, they were delicious.

We had a go at carrying water on our heads like some women and children do in Africa. It was harder than it looked.

Handa's Hen

Our final topic for English this year was Handa's Hen. We have learnt about Handa's adventure in Reception, so it was great to see what she was up to with her friend Akeyo.

We had great fun innovating the story, we loved changing all of the animals Handa and Akeyo found when they were looking for their missing hen. We loved learning about the different verbs used to describe how these animals moved.

Akamba

We started this topic by taking a trip to Akamba. We had the best time. We saw life-size African animals made of metal. We got to hold some smaller animals and learnt about their life in Africa. We tried some traditional African rice and created traditional African patchwork art.
