

Parkfield Community School 2019 – 20

During each academic year, every primary school receives a Primary PE & Sport Premium Grant from the government. Each school receives a different amount of money depending on the number of children it has. In September, the Sport Premium Grant doubled. This was due to soft drinks companies having to pay a levy on drinks with added sugar.

The grant is given to help schools develop their PE curriculum and to increase the number of children participating in PE and sport in and out of school time.

Below is an action plan of how we intend to spend the Sport Premium Grant to best benefit the children.

The additional income provided to school through sports premium is designed to do the following;

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

1. the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Academic Year: 2019/20	Total fund allocated: £21, 690	Date Updated:		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: %
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>Employ a sports apprentice who will work with the children during lunchtimes to ensure an increased amount of daily physical activity.</p> <p>Apprentice to deliver 4 after school sport-based clubs every week.</p> <p>Apprentice to work alongside teaching staff to improve the quality of teaching and learning so that it is never less than good.</p> <p>Ensure there are sufficient resources to ensure curriculum and lunchtime physical activity is well planned and delivered by staff</p>	<p>Research and employ an apprentice for this role. Apprentice to set up and run these activities during lunchtime for as many children as possible. Training for Lunchtime supervisors may be necessary.</p> <p>Research games to play and purchase appropriate resources for lunchtime games. Produce rota of games for lunchtimes to increase participation in physical activity.</p> <p>Audit of school resources</p> <p>Identify range of sports clubs for both key stage 1 and 2.</p> <p>Audit of school resources to make sure school has the equipment to effectively teach the PE Curriculum.</p>	<p>£9, 600</p> <p>£400 for resources</p>		<p>Apprentices are affordable way to support the teaching of PE</p>

<p>MAT PE lead to design curriculum map.</p> <p>Additional top-up swimming for children who have not met National Curriculum standards.</p>	<p>Curriculum map will ensure we are providing a broad and balanced program which meets the requirements of the national curriculum.</p> <p>Extra swimming sessions in curriculum time. Therefore, a greater proportion of children are leaving the school with greater confidence and ability.</p>	<p>£1,540</p>
