

Year 3 Newsletter

Autumn Term- September 2025

A message from your child's teachers:

A warm welcome back to all our Year 3 parents and carers. We hope you all had a lovely summer break. We look forward to getting to know you as we work with your children this year. If you have any questions please contact the school office or your child's class teacher at home time.

Staff:

Mrs Fagan 3F
Mrs Khan 3K
Miss Bano 3B
Mrs Hussain

Homework:

Homework

Spellings – Lists will be given out on Monday, to be tested on the following Monday.

Mathletics – children will be expected to earn 1000 points a week on Mathletics. They should log on for around 30 minutes, three times a week.

Reading – children should be reading **everyday**, ideally with an adult who can help them with tricky words and ask them questions about what they have read. Children's reading diaries will be checked daily.

Your child may receive additional homework, tailored to their learning needs. This will be discussed with you by the class teacher.

Important things to remember:

Please ensure that your child comes to school every day with their own water bottle, clearly labelled with their name and class.

Our PE day is **Monday**.

Your child should come to school in the correct PE kit every Monday.

Children in 3F will be attending swimming lessons every **Tuesday** throughout the Autumn term. (This will commence from Tuesday 9th September 2025)

- Recognise the place value of each digit in a three-digit number
- Counting in hundreds, fifties, tens and ones plus fours and eights and comparing and ordering numbers
- Number patterns
- Addition and subtraction facts
- Adding ones, tens and hundred, with and without renaming
- Subtracting ones, tens and hundreds with and without renaming
- Using models

What we are learning this term:

Writing

- To form all letters correctly, using neatly, joined handwriting
- To use the full range of punctuation covered in previous years.
- To write fiction and narratives that are well structured.
- To proof read confidently and amend their own and other's writing.

Reading

In Year 3, reading lessons are very important. You can help your child at home by listening to them read every day and asking questions to show that they have understood what they have read.

Science:

Science is the process of learning about the natural world through observation and experimentation.

This half term we will learn about animals, including humans, and rocks and soils.

History:

History is the study of the past.

This term in history we will be learning about Prehistoric Britain.

Geography:

Geography is the study of places, people and their environments.

This term in geography we will be learning about Continents and Oceans.

RE:

DT:

This term in the STEM lab, we will be designing and making a product using levers and linkages.

Art:

In art, we will be creating Gestural drawings with charcoal.

Computing:

In computing, we are going to be learning about how computers are connected.

PE:

In PE, we will be focussing on fundamental skills, Outdoor Adventurous Activities and swimming.

Music:

In music this term, we are learning how to lay the glockenspiel.

This term in RE we are learning about Judaism.

Personal Development:

In Our PD lessons this term, we will be learning about relationships. We will be looking at how to share our feelings, as well as how to show respect to others and sharing our views and opinions.

Oracy:

Our oracy targets this term are to vary our tone of voice for humorous or sad parts of a story telling, notice when someone has not contributed and invite them to speak, take on the challenger role in a small discussion and to be able to confidently change our mind.

We look forward to working together with you this term!
