

School Council Meeting

Wednesday 6th November 2019

Always Club

Mrs Gordon asked us to think of prizes/treats for children in the 'Always Club.' This club is a treat for children who are always in school, always on time and always making good choices. The first thing we had to do was discuss ideas as a group to see what we came up with. Secondly, we had to ask the children in our class if they would like to design a badge for the children who are in the club. It will cost 50p to enter and there will be a winner from each key stage. Runners up will also win a prize.

All our ideas need to be written down in our School Council book and we must return our ideas to Miss Arif by Monday 16th December 2019.
