

## Outbreak Management Plan Parkfield Community School September 2021

**In the event of an Outbreak, this plan will override the current risk assessment.**

HAZARD	RISK GROUP	RISK	CONTROL MEASURES (Describe the workplace precautions and risk control systems in place)	Residual Risk Rating HIGH MED LOW	Are Controls Adequate?	
					Yes	No*
Arriving to school	Pupils Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• 1 way, 2 metre system is marked off with tape and cones with additional signs to aid parents.</li> <li>• Staggered start/end times for school day. (inc flexible register) Families to be given groups which will determine their start/finish times. Group A at 8:30am (finish at 3:00pm) and Group B at 8:45 (finish at 3:15pm)</li> <li>• Parents/carers with children in years 4,5 and 6 to be encouraged to drop children off at front gates to minimise the number of parents on site.</li> <li>• Only 1 parent/carer per family to be allowed on site.</li> <li>• Parents will be encouraged to continue wear face coverings</li> <li>• Guidance will be provided re distancing and hygiene requirements before or upon arrival of ANY visitors into school.</li> <li>• Parkfield will obtain contact details from visitors to enable NHS track &amp; trace to contact close contacts speedily.</li> <li>• No parents to be admitted into school building. Access will be to exterior office receptions areas only in strictly enforced numbers. Parents wishing to speak to office staff, must make an appointment.</li> <li>• Queries to be dealt with via telephone/email if possible.</li> <li>• 2 metre rule to be enforced while they are waiting for staff to receive their children. This to be done by website, letters and social media.</li> </ul>		Y	

			<ul style="list-style-type: none"><li>• Staff members who are outside enforcing the rules MUST continue to wear a face covering.</li><li>• No parental events i.e. workshops/parent evenings/sports days are undertaken initially and assessed as the situation evolves</li><li>• Any one exhibiting COVID symptoms must not enter school sites.</li><li>• Any child wearing a disposable facemask will be asked to remove it and place it in a lidded bin before entering the building. Any children wearing a facemask other than a disposable one, will be asked to remove it and place it in their bag. Staff will direct children to use the hand sanitiser located by the entry doors and then proceed to their classrooms.</li><li>• One-way system inside the building to be adhered to by all staff and children between 8:30am and 3:25pm. Outside of these hours, staff may travel around the school freely but must adhere to social distancing rules and must not enter any classrooms that are not part of their year group bubbles. The only exception to this rule is SLT.(see separate note below)</li><li>• Staff no longer have to wear face coverings in classrooms. However, they must wear face coverings in communal areas and in corridors where social distancing is not possible. If face coverings are worn, please note that safe wearing of face coverings requires the cleaning of hands before and after touching – including to remove or put them on and safe storage of them in individual, sealable plastic bags between use</li><li>• If we cannot staff specific year groups safely, due to human resources, these year groups will be moved to online learning only</li></ul>		
--	--	--	---	--	--

Staff receiving child from Parent	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Staff receiving children must wear a face covering and gloves. Please note, that the incorrect handling of face masks can lead to an increased risk of contamination.</li> <li>• Staff will direct children to either use the hand sanitiser and proceed to their classroom (another member of staff supervise pupils) or they will be directed to the wash rooms to wash their hands (member of staff will supervise)</li> </ul>		Y	
Classroom set up	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• EYFS classrooms will continue to use their free flow system and staff will encourage children to wash their hands more regularly than usual. Snack times will be allocated to each class.</li> <li>• materials can be handled by a consistent group of children and that no one else outside this group can come into contact with it. If equipment has to be shared by different groups, they must be cleaned between groups OR left to quarantine for 48 hours (72 hours for plastics)</li> <li>• the malleable material for messy play (for example sand/water/mud) can be used and cleaned - including being replaced - in accordance with the manufacturer's instructions, where applicable.</li> <li>• In EYFS, the use of outdoor areas should be maximised for children's learning</li> <li>• IF SLT or members of the pastoral team have to enter the classroom (that is not part of the their bubble) they will only do so whilst maintaining social distancing from both children and staff within the class and MUST continue to use face coverings to limit the possibility of the spread of infection.</li> <li>• In years Nursery-6, the teacher should endeavour to keep 2 metres away from the children's tables/desks. In particular, they should avoid close face to face contact and minimise time spent within 1 metre of anyone.</li> </ul>		Y	

- |  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|
|  |  |  | <ul style="list-style-type: none"> <li>• Tissues available on each table for pupils to use when coughing or sneezing and they must be bagged and go into a lidded bin after one use.</li> <li>• Each child will have their own equipment bags, containing their pens, pencils etc. This will not be shared.</li> <li>• Equipment that is usually touched by multiple children will be cleaned after use. Children are to sanitise or wash hands before and after use.</li> <li>• Children are to use the same allocated desk each day</li> <li>• Items that are soft furnishings e.g. soft toys, cushions etc will be removed from classrooms.</li> <li>• Classrooms should be well ventilated, and windows should be open plus doors if necessary. Windows do not need to be wide open but MUST be opened wide throughout the day i.e playtimes/lunchtimes etc to enable a good stream of fresh air. Pupils are also allowed to wear extra clothing/coats etc if needed in classroom</li> <li>• When teaching PE inside using the halls, the windows and doors must be open during the whole lesson.</li> <li>• Outside space should be used as often as possible with no more than one group together.</li> <li>• Reading books can be sent home. When returned, they will not be reused for 48 hours.</li> <li>• PE bags will not be needed to be brought into school. Children will wear PE kit to school.</li> <li>• School bags can be brought into school but children will be asked to limit as to what is brought in from home</li> <li>• Children are allowed to bring in sweets, cakes and other treats from home for birthdays if it is individually wrapped.</li> <li>• Breakfast clubs will operate as a separate bubble, with consistent members of staff. If there is a positive case within this bubble, the whole bubble will have to self-isolate for 10 days.</li> </ul> |  |  |  |
|--|--|--|--|--|--|--|

			<ul style="list-style-type: none"> <li>PPE will be provided for each classroom by site manager/supervisor.</li> </ul>			
Classroom Lessons	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>Where children may require extra assistance, a 2 metre rule must try to be enforced. If this is not possible, staff should avoid close face to face contact and minimise time spent within 1 metre of anyone and will consider their body positions (e.g being above and behind the child)</li> <li>Those staff who are providing extra interventions or through teaching groups, including 1-1 teaching, should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults, and adhere to the protective measures in Appendix 3 along with a register which must be completed to show which children have been in contact with and sent to DHT daily.</li> <li>Those staff who need to assist due to behaviour or other pastoral support, such as SLT and the SEAL team, should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults, and adhere to the protective measures in Appendix 3. If assistance due to behaviour is necessary, or pastoral support needs to be given, then a register must be completed to show which children have been in contact with and sent to the DHT daily.</li> <li>Any staff member who needs to assist with behaviour or using Team Teach methods, MUST wear a mask and/or visor, and gloves.</li> <li>Classes will become the consistent bubble. However, year group bubbles will support some teaching activities, play and lunchtimes in certain year groups. These bubbles must be kept apart from other bubbles where possible. Nursery and Reception will be separate bubbles.</li> <li>At least one senior leader will be non-class based at all times.</li> <li>Teachers and Teaching Assistants must not leave their bubble during lessons unless an emergency or to use the toilet.</li> </ul>		Y	

Children requiring use of the toilet	Children Staff	Infection Control	<ul style="list-style-type: none"> <li>• Inform the child of the importance of washing their hands after using the toilet and where possible on their return to the classroom use the hand sanitiser on entering the classroom.</li> <li>• Ensure toilets are not overcrowded by limiting the numbers of children using at any one time.</li> <li>• All toilets within the school building will be regularly cleaned during the day</li> <li>• Cleaning log will be completed for each toilet hourly</li> <li>• Year 4 and 6 to use toilets by the ICT suite</li> <li>• Years 2, 3 and 5 to use toilets by SEAL room and main office</li> <li>• One-way system inside the building to be adhered to by all staff and children (see note above)</li> </ul>		Y	
Break times	Children Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Children informed again of the importance of social distancing whilst outside.</li> <li>• Look at providing activities which can abide by the rules.</li> <li>• Outdoor play equipment must not be used unless it is thoroughly cleaned between uses.</li> <li>• Supervising staff will be on a rota for their year groups at breaktimes along with the pastoral team. All staff must adhere to 2m social distancing where possible.</li> <li>• Staff when needing a comfort break at this time may have their bubble supervised by a member of the pastoral team if needed. Pastoral team will keep to 2m social distancing when supervising.</li> <li>• All breaktimes to be staggered to avoid contact with other groups/bubbles or held in separate zones.</li> <li>• One-way system inside the building to be adhered to by all staff and children</li> <li>• Water bottles- children will have personal water bottles in class</li> </ul>		Y	
Break Times – Staff Room	Staff	Spread of Infection due	<ul style="list-style-type: none"> <li>• Staffroom can be used as a leisure area but will have a maximum of 6 staff at one time seated in here, must be 2m apart and must only be in this room for 15 minutes maximum.</li> </ul>		Y	

		to close contact	<p>A maximum number of 2 people may use the separate kitchen area. All available windows must be open.</p> <ul style="list-style-type: none"> <li>• All refreshments should be taken in the group class/ bubble area/room (if choosing to do so inside) and staff must not enter other bubbles unless in an emergency.</li> <li>• Mobile phones must not be used or visible where children can see them.</li> <li>• Staff should not be in close contact with any other staff from outside their year group bubble within the building.</li> <li>• Photocopiers will be provided with cleaning materials, please wipe down after each use.</li> <li>• Staff must make their own drinks/food and wash and dry their own cups and other crockery and utensils thoroughly using warm soapy water.</li> </ul>			
Lunch/Break Times Classrooms	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Whilst children are on breaks, clean tables and door handles with a disinfectant or disinfectant spray.</li> <li>• Wear gloves whilst carrying out this task and wash hands after cleaning.</li> </ul>		Y	
Lunch breaks	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• All lunchtimes to be staggered to avoid contact with other groups. Staff must ensure they are on time to receive their children back in their bubbles.</li> <li>• An MDS will be attached to each bubble for supervision during lunchtimes</li> <li>• Staff may have their lunch outside but must do so in the allocated space. No more than 6 members of staff may meet in one area and must keep 2m apart.</li> <li>• One-way system inside the building to be adhered to by all staff and children</li> </ul>		Y	
Assemblies	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• All assemblies to take place within classrooms, possibly using group media.</li> </ul>		Y	

First Aid – minor treatment	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>Where minor first aid treatment is required First Aiders must ensure they wear disposable gloves, apron and a face covering when dealing with injuries. First aiders must have read the documents available here regarding PPE <a href="https://www.england.nhs.uk/coronavirus/primary-care/infection-control/">https://www.england.nhs.uk/coronavirus/primary-care/infection-control/</a></li> <li>Where possible age and maturity of child) ask them to wipe away any blood or hold cold compresses etc.</li> <li>Ensure records of injury and treatment are recorded and who administered first aid treatment.</li> <li>Always wash hands after contact</li> </ul>		Y	
First Aid – Life threatening	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>In the event of a serious injury or incident call 999 immediately.</li> <li>Wear disposable face covering and gloves when in close contact or dealing with bodily fluids. Wear eye coverings and fluid resistant face covering if necessary with disposable aprons.</li> <li>In the event of CPR being required it is advised only chest compressions are given and use of a defib if available. If mouth to mouth is needed, first aider will use mouthguards to administer this.</li> <li>Always wash hands after contact</li> </ul>		Y	
First Aid & Medication	Staff Pupils Others	First Aid Procedures	<ul style="list-style-type: none"> <li>First Aiders must always wear gloves when administering first aid procedures.</li> <li>A disposable face covering and visor must be worn if having to deliver close contact first aid. (always refer to up to date information from Gov.UK).</li> <li>Any dressings used to be double bagged.</li> <li>Where any medications are administered try and encourage the pupils to self-administer or consider wearing a face covering (always refer to up to date information from Gov.UK)</li> </ul>		Y	
Children who are upset	Staff	Spread of Infection due	<ul style="list-style-type: none"> <li>Where a child is upset it is advised to try to maintain a safe distance whilst offering comfort to child.</li> </ul>		Y	

		to close contact	<ul style="list-style-type: none"> <li>• Encourage child to use a tissue to wipe eyes/nose etc.</li> <li>• If contact is required, a face covering and/or visor must be worn</li> <li>• Wash hands after contact</li> <li>• all staff who will have different groups of pupils throughout the week keep a register of who they have been in close contact with and must send this to the DHT by the end of the school day. They must adhere to the protective measures in Appendix 3.</li> </ul>		
Children with behavioural issues	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Where possible allow the child to vent their frustrations</li> <li>• Where possible allow child to be in a room (SEAL) on their own or outside</li> <li>• If team teach techniques are required, or children need to be calmed without the need for team teach, such as time out in the SEAL room, face masks and gloves must be worn.</li> </ul>		Y
Children leaving at the end of the school day.	Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• One-way system in place with a staff member supervising outside to inform parents/ carer to abide by the 2 metre social distancing rule.</li> <li>• Staggered leaving times will be in operation. It is imperative that children are out ready to be collected at their allocated times.</li> <li>• Children released when parent/carer is visible to maintain constant flow</li> <li>• Nursery parents and children to enter and return through the same gate respecting 2m social distancing.</li> <li>• SLT will be on the playground to aid collection of children.</li> <li>• Parents must not gather together on site before, during or after the collection of children.</li> <li>• To allow time for thorough cleaning, All Staff (aside from site staff, cleaners and HT/DHT) must leave the site by 5pm on Mondays, Tuesdays, Wednesdays and Thursdays and by 2:30pm on Fridays.</li> </ul>		Y

After school clubs	Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• After school clubs are permitted. They must be in separate year group bubbles for all activities.</li> <li>• If indoors, rooms must be well- ventilated</li> <li>• Staff to follow the same guidance above for classroom lessons and classroom set up.</li> <li>• There is no maximum number of pupils who can attend each club, but the Head of School must be consulted if the number is to exceed 15.</li> <li>• A First aider always on site until the end of the clubs</li> <li>• Children must have parental permission to attend</li> <li>• A register taken before the start for the club/ provision and handed to DHT afterwards for contact tracing purposes.</li> </ul>			
Transition, open and taster days	Staff Parents Others	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• From the 17<sup>th</sup> May, these can go ahead; however, thorough risk assessments should be completed before running transitional, taster and open days to ensure that they are run in line with our system of controls and align with the advice contained within the DfE guidance and the roadmap out of lockdown.</li> </ul>			
Visitors to school	Staff Children	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• All visitors to school must be provided with a copy of the school's risk assessment prior to arrival.</li> <li>• All visitors working with one or more classes, or visiting one or more classes, must provide a negative test result at least 48 hours prior to the date of arrival.</li> <li>• All visitors must wear face coverings if teaching children and to maintain social distancing from all adults.</li> <li>• Any ITT students or students on placement, to follow the measures in this risk assessment. Students can be offered the same Covid testing as all staff on site.</li> </ul>			
Parent wishing to talk to staff	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Parents will be informed that the majority of conversations with teaching and office staff will be either over the phone or, if this is not possible, a meeting will be arranged and social distancing rules observed. The must be notified if a face to</li> </ul>		Y	

			face parent meeting is needed. Parents will be discouraged in congregating around the school site.			
Staff communication	Staff	Spread of Infection due to close contact	<ul style="list-style-type: none"> <li>• Site staff to be contacted through the 'Every Site' online helpdesk facility or via internal telephone</li> <li>• No members of staff enter another bubble or office/room unless absolutely necessary or an emergency. If this is so, then 2m social distancing rules and hand cleansing on entry and exit must be followed. All enquiries room to room/office should be made via internal telephone during the school day. Any members of staff who need to check on another classroom (such as pastoral team/ SLT) must not enter and communicate from the doorway. If assistance is needed, please see advice above.</li> <li>• IT staff to be contacted through the IT helpdesk facility which is accessed via the desktop icon. Staff must not visit the IT office. If the technician needs to visit classrooms, due to not being able to solve the problem remotely, he will wear face coverings.</li> </ul>		Y	
Awareness of policies / procedures / Guidance	Staff Pupils Others	Inadequate information	<p>All staff must ensure they are aware of the current guidelines in regard to protective measures as outline in the Government Guidance <a href="https://www.publishing.service.gov.uk/guidance/schools-coronavirus-covid-19-operational-guidance">Schools coronavirus (COVID-19) operational guidance (publishing.service.gov.uk)</a></p> <ul style="list-style-type: none"> <li>• All staff are able to access the following information on-line for up to date information on COVID-19</li> <li>• Public Health England</li> <li>• Gov.co.uk</li> <li>• NHS</li> <li>• DfE</li> <li>• Department for Health and Social Care</li> </ul>		Y	

			<ul style="list-style-type: none"> <li>• The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. infection control training. (washing of hands, cleaning up bodily fluids).</li> <li>• This risk assessment is to be read in conjunction with BCC COVID19 staff guidance <i>(We are in the process of producing our own staff guidance)</i><a href="https://www.birmingham.gov.uk/staffguidance">https://www.birmingham.gov.uk/staffguidance</a></li> <li>• Cleaning Risk Assessment</li> <li>• COVID19 Cleaning in a non healthcare setting <a href="https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings">https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</a></li> <li>• Staff are made aware of the school's infection control procedures in relation to coronavirus via email or staff meetings and contact the school as soon as possible if they believe they may have been exposed to coronavirus.</li> <li>• Parents are made aware of the school's infection control procedures in relation to coronavirus via letter, website, posters or social media – they are informed that they must contact the school as soon as possible if they believe their child has been exposed to coronavirus.</li> <li>• Pupils are made aware of the school's infection control procedures in relation to coronavirus via school staff and are informed that they must tell a member of staff if they feel unwell.</li> <li>• All staff, including those who use PPE, should read the following guidance. This has been emailed to all staff: <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/877658/Quick_guide_to_donning_doffing_standard_PPE_health_and_social_care_poster.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/877658/Quick_guide_to_donning_doffing_standard_PPE_health_and_social_care_poster.pdf</a></li> </ul>			
Poor hygiene practice	Staff Pupils Others	Ill Health	<ul style="list-style-type: none"> <li>• All staff must adhere to the system of controls: protective measures in Appendix 3.</li> <li>• Posters are displayed throughout the school reminding pupils, staff and visitors to clean their hands regularly including when they arrive at school, when they return from</li> </ul>		Y	

			<p>breaks, when they change rooms and before and after eating. Pupils, staff and visitors are encouraged to wash their hands with soap or non- alcohol-based sanitiser and follow infection control procedures in accordance with the DfE and PHE’s guidance.</p> <ul style="list-style-type: none"> <li>• Sufficient amounts of soap (or hand sanitiser where applicable), clean water and paper towels/hand dryers are supplied in all toilets and kitchen areas.</li> <li>• Children to be reminded regularly about not touching faces</li> <li>• Pupils may be supervised by staff when washing their hands to ensure it is carried out correctly, where necessary.</li> <li>• Water dispensers will not be used in school.</li> <li>• Pupils and staff are forbidden from sharing cutlery or cups.</li> <li>• All cutlery and cups are thoroughly cleaned before and after use.</li> <li>• All staff to ensure good respiratory hygiene by promoting the “catch it, bin it, kill it” approach</li> <li>• Bins to be emptied regularly throughout the day. Lidded bins to be in each classroom.</li> <li>• Cleaners to carry out daily, comprehensive cleaning that follows national guidance and is compliant with the COSHH Policy and the Health and Safety Policy.</li> <li>• A senior member of staff arranges enhanced cleaning to be undertaken where required – advice about enhanced cleaning protocols is sought from the Health Protection Team /Public Health England</li> </ul>		
Ill health	Staff Pupils Others	Coronavirus Symptoms	<ul style="list-style-type: none"> <li>• Children/adults with others in their home who have symptoms should not be in school.</li> <li>• Any staff/pupils who exhibit symptoms must go for a test at the earliest possible time. They will not be allowed to return to school until this has been done. If the test proves negative, they can return to school if they are well enough to do so.</li> </ul>		Y

			<ul style="list-style-type: none"><li>• Siblings of pupils who display symptoms must also leave the school site, go for a test and self-isolate for 10 days, starting the day after last contact. If all members in that household test negative, then the pupils can return to school if they are well enough to do so.</li><li>• <a href="https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-an-antigen-test-to-check-if-you-have-coronavirus/">https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-an-antigen-test-to-check-if-you-have-coronavirus/</a></li><li>• <a href="https://www.gov.uk/apply-coronavirus-test-essential-workers?utm_source=8%20July%202020%20C19&amp;utm_medium=Daily%20Email%20C19&amp;utm_campaign=DfE%20C19">https://www.gov.uk/apply-coronavirus-test-essential-workers?utm_source=8%20July%202020%20C19&amp;utm_medium=Daily%20Email%20C19&amp;utm_campaign=DfE%20C19</a></li><li>• If a child or adult within a group tests positive for COVID, they must isolate for 10 days from the day the child was last in. The year group, plus any other staff who have come into close contact with that year group, must self-isolate for 10 days, starting the day after last contact and will not be allowed into school. Children in self-isolating bubbles must not come onto the school site.</li><li>• Those staff who are opting into LFD testing are to report their results via <a href="http://www.gov.uk/report-covid19-result">www.gov.uk/report-covid19-result</a>, or by phoning 119, every time a test is taken, even if the result was negative or void.</li></ul> <p>Any staff member who tests positive from an LFD test, must isolate straight away for 10 days as must those people, including the bubble, who have been in close contact with the person who has tested positive, as defined in the <a href="#">Schools COVID-19 operational guidance - GOV.UK (www.gov.uk)</a></p> <ul style="list-style-type: none"><li>• Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, difficulty in breathing and high temperature, and are kept up to date with national guidance about the signs, symptoms and transmission of coronavirus.</li></ul>		
--	--	--	--	--	--

			<ul style="list-style-type: none"><li>• If there is a risk of being splashed by vomit or other bodily fluids, then face coverings must be worn with a fluid resistant surgical facemask</li><li>• Any pupil or member of staff who displays signs of being unwell, such as having a cough, fever or difficulty in breathing, and believes they have been exposed to coronavirus, is immediately taken out of the class and placed in an area where they will not come into contact with others and are supervised at all times. They will then wait to be collected and to for a test. The area for this school will be the maths academy</li><li>• The relevant member of staff calls for emergency assistance immediately if pupils' symptoms worsen.</li><li>• The parents of unwell pupils are informed as soon as possible of the situation by a relevant member of staff.</li><li>• Where contact with a pupil's parents cannot be made, appropriate procedures are followed in accordance with those outlined in governmental guidance.</li><li>• Areas used by unwell staff and pupils who need to go home are appropriately cleaned once vacated, using a disinfectant and care to be taken when cleaning all hard surfaces.</li><li>• If unwell pupils and staff are waiting to go home, they are instructed to use different toilets to the rest of the school to minimise the spread of infection. This school has designated toilet: the disabled toilet by the main office.</li><li>• Unwell pupils, with non-Covid symptoms, who are waiting to go home are kept in an area where they can be at least two metres away from others. The area for this school will be outside the school office.</li><li>• Any pupils who display signs of infection are taken home immediately, or as soon as practicable, by their parents – the parents are advised to contact NHS 111 immediately or call 999 if the pupil becomes seriously ill or their life is at risk.</li></ul>		
--	--	--	--	--	--

			<ul style="list-style-type: none"> <li>• Any members of staff who display signs of infection are sent home immediately and are advised to contact NHS 111 immediately or call 999 if they become seriously ill or their life is at risk.</li> <li>• Any medication given to ease the unwell individual's symptoms, e.g. Paracetamol, is administered in accordance with the Administering Medications Policy.</li> <li>• Any clinically extremely vulnerable staff must provide an official government communication to Excelsior HR department</li> </ul>		
Spread of infection	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> <li>• Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with guidance, using PPE at all times. <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/877658/Quick_guide_to_doffing_doffing_standard_PPE_health_and_social_care_poster.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/877658/Quick_guide_to_doffing_doffing_standard_PPE_health_and_social_care_poster.pdf</a></li> <li>• Parents are informed not to bring their children to school or on the school premises if they show signs of being unwell and believe they have been exposed to coronavirus.</li> <li>• If a member of staff or pupils within a group have been in contact with a confirmed COVID-19 case, those persons in that bubble are not to return to school before the minimum recommended exclusion period (or the 'self-isolation' period see appendix 4) has passed, in line with national guidance. This is currently 10 days.</li> <li>• Pupils will not be taken on school trips at this time</li> <li>• Parents notify the school if their child has an impaired immune system or a medical condition that means they are vulnerable to infections.</li> <li>• The school in liaison with individuals' medical professionals where necessary, reviews the needs of pupils who are vulnerable to infections.</li> <li>• Any additional provisions for pupils who are vulnerable to infections are put in place by the headteacher, in liaison with the pupil's parents where necessary.</li> </ul>		Y

			<ul style="list-style-type: none"> <li>• All essential staff training/ meetings, where social distancing cannot be facilitated, to be held virtually.</li> </ul>			
Poor management of infectious diseases	Staff Pupils Others	Lack of infection control	<ul style="list-style-type: none"> <li>• All staff must adhere to the system of controls: protective measures in Appendix 3.</li> <li>• All staff are responsible for ensuring they adhere to this risk assessment and the system of controls: protective measures in Appendix 3</li> <li>• Everyone is instructed to monitor themselves and others, stay alert and look out for similar symptoms if a pupil or staff member has been sent home with suspected coronavirus.</li> <li>• Staff are vigilant, stay alert and report concerns about their own, a colleague's or a pupil's symptoms to the Head of School, Deputy Head Teacher or another member of SLT as soon as possible.</li> <li>• The school is consistent in its approach to the management of suspected and confirmed cases of coronavirus.</li> <li>• The school is informed by pupils' parents when pupils return to school after having coronavirus – the school informs the relevant staff.</li> <li>• Staff inform the headteacher/head of school when they plan to return to work after having coronavirus.</li> <li>• A nominated person monitors the cleaning standards of school cleaning contractors and discusses any additional measures required with regards to managing the spread of coronavirus.</li> </ul>		Y	

**Please note:**

**Parkfield Community School will undertake all measures possible to prevent the spread of infection. Unfortunately even with all measures put into place, the school/Excelsior MAT cannot guarantee 100% that any school site, or persons upon the site are COVID free. Nor can we guarantee that we can fully maintain social distancing between the children and adults within each group.**
